

# Netlab Instructions

## Preparations:

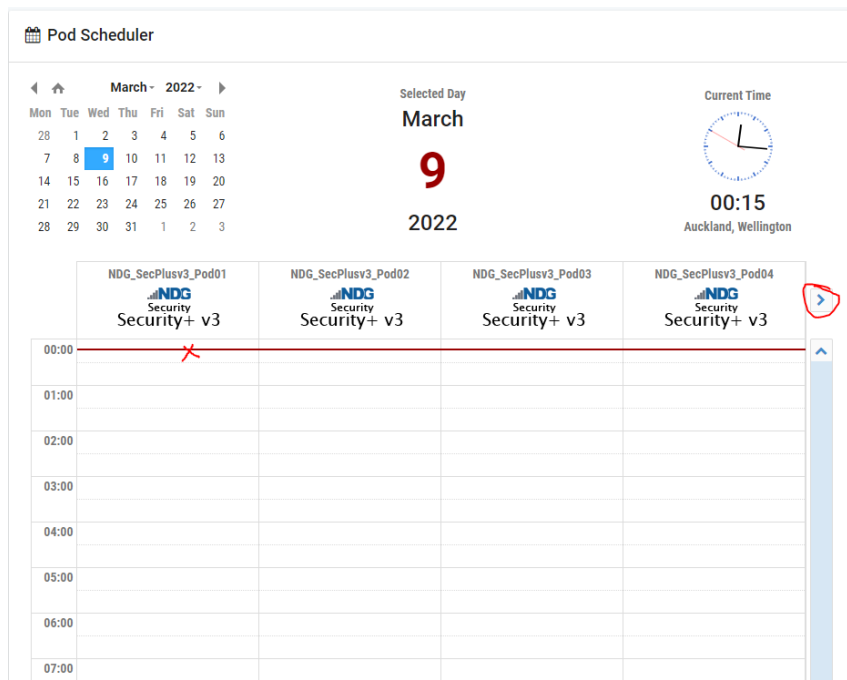

1. Please visit the URL <https://netlab.ecs.vuw.ac.nz/> and use the credentials provided:
  - yourmyvuw username (with the @myvuw.ac.nz)
  - cybr371
2. **Make sure to set the right timezone and start of the week.**
3. Create a new reservation

4. Click the lab specified in the lab document (e.g. **Linux Account management**)

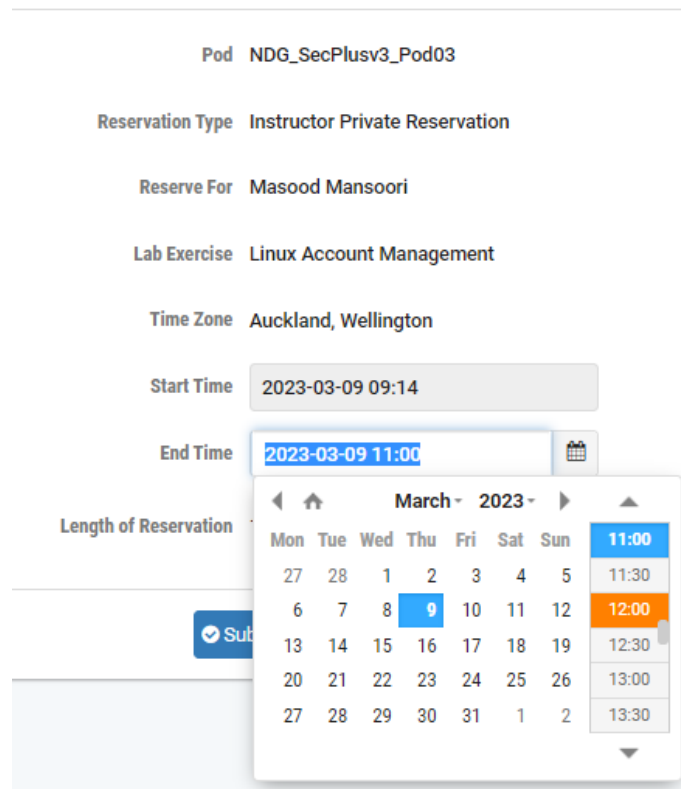

5. Use the arrows to select a free pod. And click the red line. That ensures the lab starts from NOW.

6. Change the lab time to **~1 hour (or more!)** by clicking the time icon (highlighted) and press submit. You can set the lab time to a maximum of 3 hours and ask for 3 extensions if less than 15 minutes is remained of the reservation (Please check the top right corner of the screen once the lab starts for remaining time and extension information)
